

Fast & Furious Path to a Sale

Due to a job relocation, sellers are anxious to list their Brewster, NY Townhouse as soon as possible. Home is listed and *AtWell Staged Home* is called on a Friday. Staging is completed in just 3-hours the very next day.

First showing is Sunday and comes with an offer. Two more offers are made and home sells in two weeks – at asking price.

Below are the original listing pictures – taken before staging – compared to the pictures taken after staging.

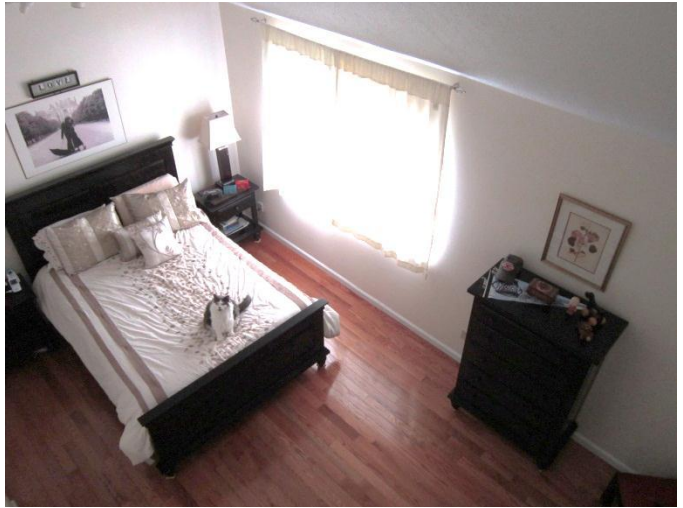

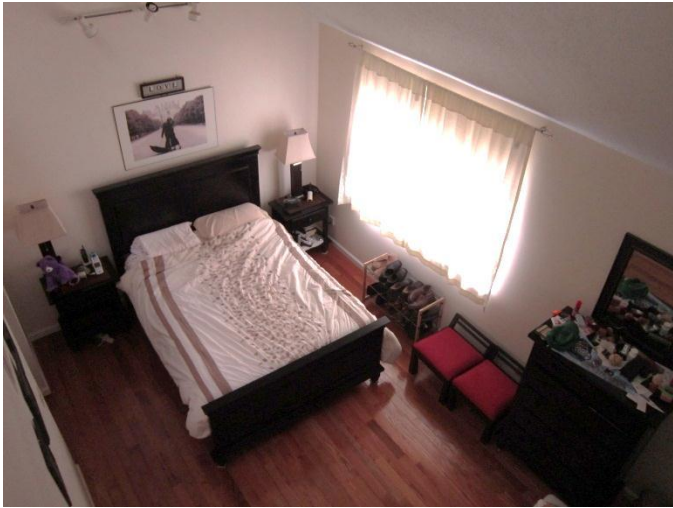

See what is accomplished when you hire a professional home stager for 3-hours. Budget for this project – \$0.

The logo for AtWell Staged Home features a red outline of a house above the text "AtWell" in a large, bold, red font. Below "AtWell" is the text "STAGED HOME" in a smaller, red, all-caps font.
