

South Salem New York condominium listed for \$185K, receives 3 offers from \$185K to \$192K, and sells in the first week. As a product of Susan's staging, the first impression from all buyers is that the condo is unique and stands out from the other units with identical floor plans.

Designed to Dwell, Designed to Sell

"I've worked with Susan three times – first for a bathroom renovation in my prior home; then to stage that home for sale; and most recently, to decorate and renovate the house I moved into. When I moved here, Susan's attention to detail made a handyman special into an inviting home that reflected my personality."

"As for my prior home, Susan's staging expertise moved that property within the first listing week and at a price higher than asking. You can't beat those results. I'd recommend Susan to anyone looking to sell or just upgrade their home."
